## **Management System for Quality, Environment, Health and Safety – General Statement**

Ladies and Gentlemen

We are pleased to inform you

- sia Abrasives is an organization certified according to ISO9001:2015.
- sia Abrasives as a member of the Bosch Group fulfills stringent Bosch norms for Environment, Health and Safety. These Bosch norms are of equal value or exceeding ISO14001 and ISO45001.

We are fulfilling all our responsibilities and obligations out of these norms.

Please find on our Homepage [www.siaabrasives.com](http://www.siaabrasives.com)

- under Services > Downloadcenter: Certificates
- under Services > Safety: Voluntary Product Information, Safety Instructions, further Statements concerning REACH and RoHS

Where this general statement and the statements found on our Homepage are deemed insufficient, please contact us directly.

Best regards

sia Abrasives Industries AG
