

2812 siaral x

The professional abrasive for edges, seams, solid wood and parquet flooring

The professional abrasive for edges, seams, solid wood and parquet flooring

As a specialist product for the surface treatment of hardwood, glued solid wood panels as well as for parquet flooring and plywood production, 2812 siaral x with its robust cloth backing and application-oriented belt joints produces top-quality results in belt sanding applications.

- ▶ Suitable for long periods of use thanks to very robust backing and optimised grit spreading technology
- ▶ Extremely high performance when preparing hardwood with coarser grit sizes
- ▶ Application-optimised belt joint
